## 12. Identification of unsafe conditions, acts, or procedures and their underlying factors

Preliminary investigation report: List the unsafe conditions, acts, or procedures that significantly contributed to the incident.

Full investigation report: From the sequence of events, identify what events may have been significant in this incident occurring. An analysis of these events and all other relevant information will assist in determining the underlying or causal factors in the occurrence.

## 13. Corrective action

Identify any corrective actions necessary to address unsafe conditions, acts, or procedures identified above in order to prevent similar incidents.

Recommended corrective action	Interim or full corrective action	Action assigned to	Completion date or expected completion date (yyyy-mm-dd)
1)	Interim Full		
2)	Interim Full		
3)	Interim Full		
4)	Interim Full		

**Future actions to consider (no formal commitment at this time). This box is optional.**

Completing all the sections above satisfies the requirements for a Full Investigation Report and a Full Corrective Action Report. Preliminary Investigation (PI) Report must be submitted to SD contact (via email) within 48 hours and Full Investigation (FI) Report submitted within 30 days. As of January 1, 2016, copies of **all** reports must also be provided to the site Joint Occupational Health & Safety Committee.
